Procedures

Domestic Full-time and Part-time VET Student Loans (VSL) and Fee-Paying Students

Course fee tuition payments are made on a term-by-term basis. Each term is a new payment period. Students can pay their full fees in three equal instalments per term or defer their fees through VET Student Loans (VSL) if they qualify. Students enrolled in single-subject programs are unable to access VSL.

VET Student Loans is an Australian Government loan program that helps eligible Australian citizens, qualifying New Zealand citizens, and holders of a permanent humanitarian visa pay for their tuition fees. A VET Student Loan is a debt that must be repaid to the Commonwealth.

If, after accepting a place in the course, the student wishes to withdraw, they must do so in writing (email) or complete the Deferral, Suspension, Withdrawal Application form. The college must be notified as soon as possible, and the notice must be received by the college no later than 5:00 pm on or before the census day.

If a domestic student withdraws on or before census day, they will not incur a penalty or a FEE-HELP debt, and any monies paid will be refunded to the student, except for materials or equipment purchased outside the college, as detailed on their Acceptance Form.

If a student withdraws after Census Day, they will incur a FEE-HELP debt for that term period. Enrolment periods are for one term period only.

Census day is the last date on which a student can withdraw from their course without incurring a FEE-HELP debt. Census days are approximately 3 to 4 weeks after the start of classes. Classes may start at Orientation. The census day for each study unit is published on the college's website at <https://www.lcad.edu.au/policies-and-information> and locate the Schedule of VET Tuition Fees.

LCAD will refund payments made for the term in which they have enrolled if their course is suddenly cancelled, or course commencement is postponed by more than four weeks unless they can make alternative arrangements acceptable to the student.

There are special circumstances under which a student can apply to have their FEE-HELP recredited if they withdraw after census day.

Overseas Visa Students

LCAD will refund all payments made by a student if their course is cancelled or the college postpones course commencement for more than four weeks, unless the college can make alternative arrangements that are acceptable to the student.
