

2027 TUITION FEES SINGLE SUBJECT

This document outlines information regarding fees for single-subject study.
VET student loans are NOT available for single-study enrolments. Tuition fees for single-subject study must be paid in full by the start of term. Please see below for details regarding payments, withdrawals and refunds.

Study by Term

Study load	Tuition fee for single subject per term
Single subject	\$1,280

SINGLE-SUBJECT STUDY

Single-subject study load is one unit (ie Drawing) per term and is considered informal study. Students enrolled in a single-subject will still be assessed on their work at the end of term. If a student wishes to enrol in the Diploma of Visual Arts after completing some single-subject study units, their grades from those units will count towards the Diploma.

WITHDRAWALS AND REFUNDS

As per the cooling off period in the college's policy, if a student enrolls and changes their mind within 2 days of the enrolment time, then all their fees are refunded to them. If the change of mind occurs after the 2-day cooling off period, the college will issue a refund of fees but reserves the right to retain a \$250 Single Subject General Services charge.

If a student wishes to withdraw once the term has commenced, they must notify the college in writing via email to admin@lcad.edu.au. Refunds will not be issued for withdrawals after the start of term.

COURSE MATERIALS

Depending on your course, subjects, and study load, there may be an additional material requirement. A Materials List is given at Orientation one week before term starts. Students may need to outlay \$100-\$200 for materials depending on study unit.
